### War Department Assails Plan

National Defense Declared to be Jeopardized by Move in San Francisco

Army Chiefs Add Their Veto to That Already Voiced by Naval Leaders

WASHINGTON, Oct. 14. (P)—Disapproval of the application of the city of San Francisco for permission to build a bridge across San Francisco Bay north of Hunter's Point was announced today by the War Department.

Action is based, the announcement said, on the necessity for protecting the harbor both for general navigation and for national defense purposes.

"Any doubt as to whether a bridge would interfere with the proper development in this port should be resolved in favor of the national interest of navigation rather than the advantage to local highway traffic," the announcement declared.

#### FOUGHT BY NAVY

The War Department's formal rejection comes several months after the Navy Department, through the Mayor of San Francisco, sought in vain to have the Navy Department withdraw its repeatedly announced opposition to the bridge on the ground that the interests of national defense would be jeopardized.

"The War Department is ready to further any improvement in communication which will not conflict with the major duty of preserving the navigable capacity of San Francisco Bay for the future needs of the nation," the ruling said.

Existing policy is to allow, will permit a bridge from Hunter's Point to Alameda "only four miles south of the site proposed."

#### COMPARISON MADE

Such a structure "would undoubtedly reduce the congestion on the ferries," the ruling continued. San Francisco Bay is now the "most important harbor on the Pacific Coast," the announcement said, and its preservation is a matter of highest concern to the government. The situation at San Francisco is compared to that of New York on the Atlantic Coast and the statement added that the means of crossing vital parts of New York Harbor toward the mainland is "by tunnels and ferries and not by bridges."

As to objections to the bridge project on national defense grounds the statement said:

"The objections on the latter ground were brought out in a letter from the Secretary of the Navy under date of July 13, 1927."

#### LURE OF ALARM PUTS SHUTE IN HOSPITAL

EXETER (N. H.), Oct. 14. (P)—Because the sound of a fire alarm still possesses as much attraction for Judge Henry P. Shute of Exeter, widely known writer of boy stories, as it ever had for Plucky and the other characters in his books, the judge today is in a hospital. He is suffering from injuries received when he responded to an alarm near his home. Judge Shute, 71 years of age, ran out when an alarm sounded. As he stood on a corner watching the fire apparatus pass he was caught by a hook-and-ladder truck and knocked against another car. One leg is injured, his face is cut and he is badly bruised.

## Twelve Million Teeth Lost

It is estimated that twelve million decayed teeth are pulled out every year by dentists in the United States.

Every one of the twelve million teeth had to be taken out because of neglect. If the people who lost these teeth had gone to a dentist soon enough, all could have been saved.

Think how many kinds of aches there must have been in these twelve million teeth! Think how much suffering and sickness were caused by neglect!

Why not have Registered Dentists using the E. R. Parker System examine your teeth and tell you what ought to be done to save them? It will cost nothing to find out.

## ETHEL CLARK SEEKS DEATH

Mother of Actress Once Involved in \$200,000 Suit Shoots Herself in Attempt to End Life

BOSTON, Oct. 14. (Exclusive)—Mrs. Ethel Clark, 47 years of age, of 2973 Glen Green, Hollywood, who brought suit for \$200,000 damages five years ago against Herbert Rawlinson, cinema star, for alleged wrongs to her daughter, Dorothy Clark, a professional dancer, shot herself in the left breast this afternoon while in her motor car, parked just outside the Federal Building, in the seat, by Dorothy, who served as driver. Mrs. Clark was aware of the situation before she left her car in a contented mood as she went into the postoffice and then to a nearby pharmacy.

The mother was removed to the Relief Hospital, where physicians said late today there is little hope of her recovery. Despite her serious condition Mrs. Clark was aware of what was occurring around her, and now and then she would ask for her daughter, who was seated in a chair holding her hand or rubbing her forehead. "What hospital is this?" she asked.

Hospital attendants recall that four years ago Mrs. Clark had attempted to end her life by swallowing poison and for a number of days she hovered between life and death at the City Hospital.

#### STOCK LOSSES TOLD

Dorothy revealed what caused her mother to shoot herself with a 12 caliber gun by stating that Mrs. Clark had lost "thousands of dollars" by investing in mining stock and that "my mother has been unable to get any of this money back." Her mother interrupted her by sobbing that she did not want to live "because I no longer wanted to be a burden on you."

"Why, mother, you are no burden," said Dorothy. "I did not miss the \$200,000 I was giving you last night and soon would be giving you more."

Mrs. Ethel Clark, whose second attempt at suicide was reported last night from Boston, filed suit for \$200,000 damages against Herbert Rawlinson, cinema star, on March 26, 1922, in which she charged that he had attacked her daughter, a minor, in New York. The suit caused a sensation among film circles at the time. Rawlinson being at the height of his fame.

The daughter, Dorothy Clark, played a minor role in the ensuing drama but her birth certificate became a major issue in the case. The suit, however, never came to trial.

The girl and her mother disappeared before the District Attorney's office decided any action should be taken. Subsequently the girl was located in a San Diego cafe, where she had taken a position as an entertainer.

Later in the same year the girl was married and her mother sought to end her life in Boston because her daughter had failed to communicate with her.

## REBEL CHIEF NEAR END

### Gomez Believed in Last Stand

Mexican Loyals Surrounding Revolt Leader and Thirty-five Men

Residents of Village Defeat Band Without Aid of Troops

MEXICO CITY, Oct. 14. (P)—Gen. Alvarez, chief of the Presidential staff, announced this afternoon that the rebel troops under command of Gen. Escobar have discovered Gen. Araulfo Gomez, with only thirty-five of his followers still with him, in the Huasteco region of the State of Vera Cruz. A battle is believed imminent.

Defeat, capture or death in battle are the only alternatives for Gen. Gomez and his followers, Gen. Alvarez said.

Gen. Escobar's troops are close upon the little band of rebels and other Federal troops are closing out in about them, he said. It is difficult to see how Gen. Gomez can escape, he added.

Gen. Alvarez announced that the total dead in last Sunday's battle at Ayanualco is 135, of which twenty-nine were Federal troops. The bodies of the rebels, including two officers, were found dead on the battlefield.

The Federal wounded is given as six. It is not known how many rebels were wounded.

Two hundred Gomez followers have been captured since last Sunday by troops under Gen. Escobar, Gen. Alvarez said. This brings the total of rebels captured to 800.

Among the rebel dead found on the battlefield was Capt. Jose Araulfo Gomez, a few weeks ago asked to be transferred from one of the Mexico City units that later joined the revolution.

He added that Carpentier at the time he asked for a transfer to the town of Huasteco, Vera Cruz, made to get his company to join the Federal government. Carpentier was later led into the revolt against his will.

#### RESIDENTS OF TOWN DEFEAT REBELS

LAREDO (Tex.) Oct. 14. (P)—Rebels who attempted to capture the town of Laredo, Tex., were defeated with heavy losses, according to reports issued by the Mexican government here today.

Huasteco was without regular garrison, the rebels being made by the rebels, who armed themselves and routed the rebels into the mountains, the consulate was informed.

Gen. Alvarez, chief of the Presidential staff, said that the rebels, according to reports from the rank of brigadier-general, Gen. Saavedra and Gabay were made general divisions.

#### REPORT SAYS GOMEZ STRENGTH ON INCREASE

SAN ANTONIO (Tex.) Oct. 14. (P)—Sixteen gunboats have been reported to have succeeded in uniting their forces under Gen. Gomez and are operating near the mouth of the Rio Grande. Gomez headquarters in San Antonio asserted today on the basis of telegrams and other messages received today.

The force under the personal command of Gen. Gomez has been reinforced by bands under Gen. Aguirre, Ireneo Villareal, Cesario Castro, Hector Almado and another general named Medina.

This combined force is said to be marching toward El Paso, where the rebels are expected to be reinforced soon by men under Gen. Laredo, who is reported to be in San Luis Potosi and marched out of the city with the intention of joining Gen. Gomez.

Another revolutionary force is declared to be marching toward the Gulf of Mexico, according to reports from Vera Cruz and Puerto.

Gen. Martinez, chosen for his operations by Gomez, is said to be the same which was so long held against to the city by Gomez. It must have been a great disappointment to her, she is said to be nothing to her. The main thing is she is safe.

The crew reported that the machine worked excellently. They said they covered a distance of 950 nautical miles (about 1083 statute miles) in ten hours flying at an altitude of from 300 to 600 meters. Ralph Starke said that the plane has been in wireless communication with various stations.

The weather in the Azores was bad with much rain, squalls and heavy seas, Starke said.

The plane tonight is safely moored in the harbor of Horta. The crew are at the German Consulate here.

#### FIRST LEG OF HOP TO AMERICA FINISHED

#### HONOLULU READY TO WELCOME FLYERS

HONOLULU, Oct. 14. (P)—Confidence is expressed here that the aviators will succeed in their coming flight across the Pacific from San Francisco. The city is today preparing for the reception and entertaining the aviators when they arrive. The date for the hop-off from San Francisco for Australia, 9000 miles, has not been fixed.

The reception here will be in charge of the official Aloha committee of the chamber of commerce. The newest hotel in the islands at Waikiki beach today invited the aviators to be guests during their stay in Honolulu.

Army air service radio operators today completed radio beacon tests and announced that signals from the Heinkel hydroplane could be picked up with full strength by Wheeler field, Honolulu's landing field.

When the Australians leave here the radio beacon waves will be pointed in the direction of their departure to guide them to their destination so far as the waves will carry.

The couple, who are en route to Europe to Africa, then along the Imperial Airways route to India and back to Europe, are said to be the first to make the trip.

They will be accompanied by a Dutch East Indies to Port Darwin, Northern Australia.

## BORAH MAY BE RADICAL CHOICE

Idaho Senator Boomed for Presidential Race

Rallying Point Sought for Demands of West

Group United in Asking Flood and Farm Relief

WASHINGTON, Oct. 14. (Exclusive)—Choice of Senator Borah of Idaho instead of Senator Norris of Nebraska as the Presidential candidate of the radical Republican group became a possibility today.

Senator Borah, it was indicated, has no desire to be an active candidate any more than does Senator Norris. Both senators recognize the futility of attempting to obtain the Presidential nomination. If the name of either is used as a candidate, it will be with a view of furnishing a rallying point around which to promote various issues in which the group is primarily interested.

Senator Borah continued today to boost Senator Norris as the candidate but others in the group launched a Borah boom.

SURPRISE CREATED  
Conferences of radical Republican senators during the last week have indicated that they will be glad to follow the leadership of Senator Borah and that he is willing to do the leading. In the past the Idaho senator has usually played a lone hand and while on occasion he has lined up with the La Follette radical group he has just as often been found against them.

That he should show a disposition to join in conference with a view to assembling a group which will stand together on legislation and incidentally in the coming Presidential campaign has created surprise.

The common basis of understanding which Senator Borah apparently has found is the interest of members of the group in various western projects. Farm relief, flood relief and Boulder dam are among the matters on which the group proposes to stand together.

But same relief, however, an agreement will be possible only if differences which have existed throughout the discussion of the McNary-Haugen bill are harmonized. Senator Borah opposed the McNary-Haugen bill on the ground that the equalization provision is unconstitutional. Most of the other members of the group support the bill. Senator Borah now thinks that a compromise bill can be framed and enacted into law at the coming session of Congress.

UNITY ON RELIEF URGED  
Senator Borah said today the West must get together on farm relief legislation. Lack of agreement among western members of Congress has been the cause of failure to obtain legislation in the past, he asserted.

One matter in which the group is expected to interest itself is the question of campaign expenditures. In this connection united action in opposition to the raising of Senator-elect Frank Smith of Illinois and William B. Vane of Pennsylvania is expected.

Senator Borah, it is understood, also contemplates attacking what he regards as other abuses within the Republican party, such as the southern delegate situation.

standing of conditions in general and my own program in particular, are better to be left to my own decision.

That Mrs. Grayson is supported in this attitude is shown in the latest telegram from Mrs. Anna Key Palmer of Atlanta, her sponsor. "Denmark awaits her," her sponsor "Denmark awaits her."

She was not influenced by anything but her own judgment.

Mrs. Grayson today decided to leave behind the two evening gowns and the several modish accessories that she had had especially designed for the reception she anticipates in Europe.

BIBLE TO BE CARRIED  
"Every pound counts tomorrow," after that was said and done," she said. "This wholesale discarding of baggage left her the brown flying suit she will wear, with a pair of dress slippers and silk negligee, as her only luxuries. When she flies tomorrow she also will have a Bible and, in an old-fashioned oval wooden frame, a picture of her dead mother, which she has a striking resemblance to the daughter.

The taleman of the trip is an old silver coin from the time of the ancestral Sikorsky estate, near Kiev, Russia, and presented by Mr. and Mrs. Igor Sikorsky. Experts have said the coin dates to the reign of Sultan Basil of Persia in the seventh and eighth centuries.

One other picture is to be carried. Mrs. Grayson is the god-daughter of Mrs. Anna Key Palmer of Atlanta City, who is a great-granddaughter of Francis Scott Key, author of the national anthem. It is his picture which will be taken as evidence of the blessing of Mrs. Palmer. No mail will be carried.

NAVY YOUNG MAN DROWNS  
WASHINGTON, Oct. 14. (P)—Frank James Hoy, a chief yeoman attached to the transport Chaumont, was drowned today in Pacific waters, said a report received at the Navy Department. Hoy lived in Honolulu, where he leaves a widow.

## RUTH INVITED TO RFLY BACK HOME

Jeuners Crew Reserves Seat for Rescued Girl on Westward Flight

LONDON, Oct. 14. (P)—If Ruth Elder, the rescued American girl, reaches home before the Jeuners plane, D-120, hope off from there, an invitation awaits her to join the Jeuners' crew and Lilli Dillema, Viennese actress, on their flight to the United States.

The coincidence of her arrival at the Azores after her miraculous rescue and the landing of the D-120 prompted aviation enthusiasts, it was learned from Berlin tonight, to suggest that it would make a happy climax to her plucky flight if Miss Elder were permitted to return to the United States aboard the D-120.

## W.C.T.U. STAND DEPLORED

Judge Lindsey and Rabbi Think Woman Blame in Trying to Prevent Debate on Marriage

WALLA WALLA (Wash.) Oct. 14. (P)—Portland Women's Christian Temperance Union officers who asked that a debate between the city of Denver and Rabbi Louis Newman of San Francisco on marriage be cancelled "mean well but are not informed of present conditions," Judge Lindsey said here today.

"Mothers need not be disturbed about girls 18 years of age being contaminated by anything I tell. They know more about the world today than most mothers," Judge Lindsey added.

He recalled an instance thirty years ago when a Denver musical comedy was objected to because it portrayed the attire of the chorus girls above the knees. The objection was met by not allowing girls under 18 to attend, he said.

RABBI THINKS WOMEN MAKING MISTAKE  
SAN FRANCISCO, Oct. 14. (P)—When Rabbi Louis I. Newman read a dispatch from Portland today quoting members of the Multnomah County Woman's Christian Temperance Union as declaring they will attempt to force a public debate between himself and Judge Lindsey on companionate marriage, he said the women are making a "regrettable blunder."

Rabbi Newman's comment on the agitation in Portland against the proposed debate in that city follows:

"The attempt to prevent open discussion of companionate marriage and other ideas of Judge Lindsey is a regrettable blunder. The opponents of the Denver judge have overreached themselves. I am heartily anxious to see companionate marriage, but I can see no harm and much good from a public refutation of Judge Lindsey's argument."

Both Judge Lindsey and myself are interested only in arriving at the truth. We are not concerned with scoring a popular victory in a forensic clash.

It is not within the province of the Woman's Christian Temperance Union to decide whether or not companionate marriage should be debated in public, declared Mrs. Addie Starke, president of the organization here.

Those probably recall that Mrs. Mary Berling, C. E. Starke's daughter, was married to R. W. Dallas, Mrs. Berling's husband, at the residence of the latter, a resident of Indianapolis.

## Joshua Little ON KNOW-IT-ALLS

**YOU'RE ALL WRONG, I KNOW**

I KNOW a number of know-it-alls, but none of them has ever been engaged to edit the Encyclopedia Britannica.

No matter what subject comes up, they have something authoritative to say. Yet they never prove themselves wise. They only prove the wisdom of the man who remarked that dogmatism is puppyism come to its full growth.

They overlook the fact that one can not continually strive to show how much he knows without also calling attention to how much he doesn't.

Know-it-alls are generous. They will give you facts and figures liberally. But it may cost you a good deal to bet on them.

A know-it-all is, in fact, one who knows so very little that what he thinks he knows looms large and uncrowded in his mind, so that he can not see anything else and can not help speaking lavishly about it.

And he is so constituted physically that he can not open his mouth without closing his mind. His greatest pain, in both mental development and popularity, would come from reversing this process.

Yes, Palomine, any time you feel as if you know it all it would pay you to take a month off, buy a gun, write down all the words you know and then carefully count those in Webster's unabridged.

SAN FRANCISCO, Oct. 14.—It will be the battle of the "underdogs" again tomorrow. This sounds like an anomaly, but it isn't. Pop Warner says Stanford should be the "underdog," and Howard Jones is sure Southern California is entitled to that doubtful distinction.

Pop points to the rugged, early-season showing of his gridiron contraption in support of his contention while Jones mentions something about being bedded with two new men, one of them a Trojan.

The teams settle it by playing this play for the payoff on the rival elevens' best systems the Messrs. Warner and Jones probably will rest their claims on the field and let the game settle the argument.

# Marine Safety Step Launched

Recent Mishaps Off Coast Inspire Action

More Life-Saving Stations Object of Move

Commerce Chamber Sponsor Plea to Congress

Concerned over two more ship crashes off Point Arguello in the last three days, Clarence Matson, head of the trade extension department for the Los Angeles Chamber of Commerce, yesterday started in an appeal for a government life-saving station established at this point. Not only that, but he expected the appeal will be for several more such stations, possibly one at Point Conception.

"Ship owners and marine underwriters are concerned at the appalling toll taken by the treacherous points where the ships are forced to approach shore and change course so often in blinding fog, expect to call a committee meeting at once and lay the matter before the chamber as soon as possible, with a view to asking support of Congress. An appropriation of \$50,000 to \$60,000 would erect a station, and the saving of ships and lives would be the best investment the government ever made."

Mr. Matson's proposal was heartily concurred in yesterday by Capt. D. P. A. O'Connell, commander of the U. S. S. Albatross, stationed at the Coast Guard Base No. 17 at Los Angeles Harbor.

"The statement that thirty-five ships have suffered mishaps in the vicinity of these points in the last two years is truly astounding," Capt. O'Connell declared. "There is no spot on the Atlantic with such a record. Most taking the final count, it is entirely likely most of these ships never would have happened with life-saving stations, and the lives of the crews and the ships would have been saved. It is a doubtful even if the seven destroyers would have piled up four years ago. And had there been life-saving stations, the ships could not sink, could have lent quick and effective succor."

REDLANDS HIGH WINS FROM SAN BERNARDINO

REDLANDS, Oct. 14.—Redlands High School broke a long string of playing second fiddle to San Bernardino in the third Citrus Belt League football game of the season by winning 9 to 0. It was a hard-fought game, with honors in the first half even, and featured by 40-yard punting by Green for Redlands and Amett for San Bernardino. In the third quarter Redlands broke through San Bernardino's defense to rush Arto to the end zone. Arto's kick was blocked, but San Bernardino recovered. Redlands broke through the 20-yard line and scored on a 10-yard run. Green covering for the touchdown. Green failed to kick goal. The line-up:

Tomorrow's service in Trinity Auditorium, Grand at Ninth, 3 p.m., is to be unique. Russia's great prima donna, Madam Maria Karinkaya, is to sing dramas in her native costume. She makes a striking figure thus attired. Those who hear tomorrow will be conscious of all the sentiment of hoary Russia in its picturesque setting.

Rev. Oswald J. Smith will preach on "Judgment in Operation as Set Forth in Matthew 25—Who is the unfaithful servant?" Come hear this stirring address on the deep things of God. At 11 a.m. and 7:30 p.m. Mr. Smith will preach in the Gospel Tabernacle, 10th & Georgia streets, on "The Gospel of God's Righteousness."

## OLD PLANTATION LIFE PRESENTED

Uncle Remus Gives Colorful Program on Return

Newcomer at Studio Offers Unusual Whistling

Faculty Four of Van Nuys Will Sing Tonight

DE. RALPH L. POWER

Using the theme of southern plantation life along the banks of the Mississippi, Uncle Remus presented a colorful bit of broadcast over KJL last evening, assisted by Liza Johnson, pickaninny dancer, and Edward Lawrence, with the harmonica, while Uncle Remus himself furnished the patter, harmonica and a autoharp accompaniment.

The famous radio comedian, who has been away for several months on a motor caravan entertainment trip and this was the first of his first program since returning to Southern California.

Fayelette Monroe, known to radio fans as "Dixie's Daughter," dropped into the studio for a few pianologues as part of the feature entertainment.

This marked her first radio program in Los Angeles since her marriage at Lawrence, Kan., early in June.

The Walsh tenor, Wilfred Fletcher, accompanied by Louise Miller, offered several vocal groups, one of which, by Donnell, deserves particular mention, "Una Furva Lagrima," from the opera, "Killer d'Amore."

Donnell composed this tuneful operatic masterpiece at Milan in 1883. His type of musical creations was that of sentimental melody and graceful construction rather than strong characterization of personage in the development of dramatic situations.

A newcomer to the Times radio program was Arada Meyer, who made her first public appearance at the San Diego exposition some twelve years ago. Her numbers included the MacDowell "To a Wild Rose," and several bird calls as whistling numbers.

The young artist whistles entirely with the throat and without moving the lips or using the ordinary vocal cords. Her ventriloquist whistling and warbling formed a pleasing part of the night program in which the studio castles cheerfully joined with obligato.

The early broadcast of the children's hour included Robert Bush in songs; Richard Hendrick, the "Lil' Minister," with a sermonette; Charles Bowerman, youthful reader; Margaret Bond, talented young violinist; Henrietta Poland in some recitations; and Nellie Bennett, the "Gingerbread Girl."

On the 8 o'clock program at KJL tonight the Faculty Four Male Quartet of Van Nuys will entertain with negro folk songs, spirituals and lullabies, together with medleys of southern songs. The quartet, composed of high-school teachers from the valley town, is well known in Radioland.

There will be plenty of tuneful

air by Thelma Brown, blues singer. This colored entertainer on her occasional visits to the tower studio always presents entertaining groups of tunes.

The California Banjo Boys will be there in force for some popular hits of the day. Abe Jacobson, bad time story-teller, has some new gags, and Mr. and Mrs. Benjamin Sears will regale the Hushing Bee Dancers will regale with old-time melodies and dances.

**FETE AT HOSPITAL**  
Aunt Dolly and her Junior Times talent at approximately 7:45 will give a program in honor of the youngsters at the Orthopedic Hospital. The quartet, composed of Junior Times seniors, will include Bob Wickham, first tenor; Sam Good, second tenor; Guy Pasoli, first bass; Joe Taylor, second bass, while the T.J.C. Playboys, a snappy dance aggregation, include Donald Allen, pianist; Eddie Turner, saxophone; Charles Leroy, banjo; Derrill Brewer, violin, and Calvin Howard, drums and manager.

The 8:30 children's hour will bring to Radioland the lullabies of Bettina Pfeiffer, "Bobolink." Earl will be happy to sing to the little ones; Rose and Guy Frank with piano solo; Dolly Wright, "Dolly of Radioland," in recitation; Nona Clapp, "Sunshine Fairy," Arthur Stevens and Marjorie Genservier, Love.
